

Using the BART System

The bus system consists of two routes.

Route 1 starts in Bad River westbound on Hwy 2 and northbound on Hwy 13 and ends in Red Cliff. The route includes a connection service to the city buses from Washburn, Ashland and Mellen communities.

Route 2 starts in Red Cliff southbound on Hwy 13 and eastbound on Hwy 2 and ends in Bad River. The route includes a connection service to the city buses from Washburn, Ashland and Mellen communities.

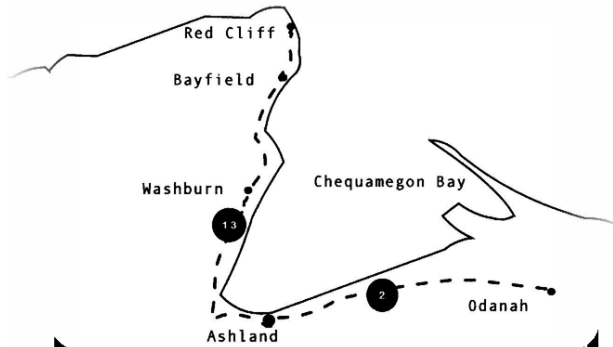

Although the bus routes have specific stops along the routes (see bus stop locations) the bus can be flagged down at any street corner on city routes *except* Main Street in Ashland. In rural areas the bus may be flagged down at any point that does not create a safety hazard. When you see the bus coming simply wave to the bus driver. If you are unsure that you are getting on the right bus please ask the driver for assistance. Let the driver know your destination when you board or just prior to reaching your destination. If in doubt of the safety of locations, please call the BART dispatcher at 682-9664 for assistance.
